C. Did you feel the session on the Administration Directorate/  
Management & Advisory Group (AD/MAG) was beneficial? Why?

Yes; Although I don't <sup>know</sup> & very seriously  
doubt they can help in too many existing  
problems, it is good to know someone is out  
there as a sounding board and may well exercise  
the proper influence to promote the proper  
concern about your problem.

D. Other Comments:

1- my most impressive part of the  
whole program was "The Support to Station  
Operation", I was most impressed and  
grateful for the opportunity to hear

2- As a whole the program was well  
planned and was a special enlightenment  
to people in a position of my nature,  
where you are always in your "own"  
corner, so to speak, you have some  
idea of what needs to take place & is  
taking place but to hear it in the  
manner makes it much more clearly  
and certainly more appreciative.
